JUNE 2019

GLS UNIVERSITY'S ADMISSION FAIR

By Dipalee Atre

For the second year in the four years of its existence, the management of GLS University decided to have a centralized location from where all the institutes under its umbrella would carry on their respective admissions. Thus, the idea of a centralized admission fair was mooted. The first such fair was held in May-June 2017. The fair for

admissions in the year 2019-2020 began on May 24, 2019 and was inaugurated by the President of the University, Mr Sudhir Nanavati. After lighting the ceremonial lamp, Mr Nanavati walked around the fair, chatting with the staff members and going through their brochures. He congratulated all institutes for the quality of their displays. Each affiliated college is

given a space at this fair to put up their banners, posters and a TV for running films and presentations. Spaces are also marked for the counselling area with visible areas for displaying brochures. The entire area above the H H Auditorium has been enclosed and air conditioned for the comfort of the visitors. Tables have been thoughtfully placed at the sides where visitors can stand and fill

out their application forms. This attention to details and the overall arrangements have been very much appreciated by the visitors.

This systemised process proves helpful to students who enter the arena of higher education after school, and gives them a platter of different courses they could take up, without getting confused and

CRICKET: PLAYING WITH THE MIND

By Jean Dsouza

Can one live in India and not get affected by the love-wave of cricket? Of course, India has many different sports. Some of them, exclusively Indian, and some originated in India. But there is no question today about the most popular game in India.

We often hear people say that Cricket is not a sport, it is a game. This implies that more than physical, external strength, Cricket calls for mental prowess. Former Australian cricketer, Glenn McGrath, states: "I think ability is a 10 to 20 per cent requirement, you need 80 to 90 per cent mental strength." This is so true, because cricketing skills themselves all come from the power of the mind and from the way the head calculates the different aspects of the game.

On the one hand it is a team game played by 11 individuals

who combine to form an effective fielding unit, where thinking and acting as one is the ultimate aim (similar to sports such as football, and basketball). On the other hand, cricket is an individual sport with the batsman/batswoman playing, in some senses, for themselves and

their own individual performance. At the same time, though, cricket is also a contest between two individuals where the batter and bowler attack and defend, to try and get the upper hand in an attempt to land the knockout blow.

Thus, confidence,

calculations, emotional control, leadership and obedience, and utmost concentration for the entire game – however long it takes – are the important psychological qualities that great cricketers develop. In fact, not only does the game demand coaches and trainers for the team, but the role of a new type of expert is now emerging: the sports psychologist.

Cricket, and all sports, thus emerge as psychological mind games where there is always more to the game than meets the eye.

As we prepare ourselves for the culmination of the ICC Cricket World Cup this year, let us also learn to use these psychological qualities not only in the field, but also in the game of life.

DID YOU KNOW THIS ABOUT THE INDIAN WOMEN'S CRICKET TEAM?

1. Jhulan Goswami has the most ODI wickets in Women's Cricket. She has 185 ODI wickets.

2. The Indian women's cricket team has never lost an ODI against Pakistan, Bangladesh, Ireland, Netherlands or Denmark.

3. Mithali Raj is only the 2nd women to score over 5000 ODI runs. She scored 5898 runs

Jhulan Goswami

in ODIs.

4. Jhulan Goswami has taken the 2nd highest number of outfield ODI catches in women's cricket. She has taken 53 outfield ODI catches in her career so far.

5. The Indian with most number of T20 international runs is Mithali Raj. She was also the first Indian to reach the 2000-run milestone.

6. During the 2009 ICC World Cup in Australia, Harmanpreet Kaur hit such a huge six in the game against the

Diana Edulji

hosts, that her bat had to be sent to a laboratory for checking.

Kaur had to undergo a dope test too, as the authorities were suspicious of the amount of power with which she hit that six.

7. Diana Edulji, current CoA member and former India captain, broke four front teeth while playing colony cricket as a teenager. But the experience didn't deter her from becoming a cricketer!

8. Opener Punam Raut almost got picked for Mumbai's U-14 Boys' team when she was 12 years old. Raut's coach had

sent her for the trials to test her skills among boys.

9. Women's cricket in India was founded by a man! Lucknow's Mahendra Kumar Sharma formed the Women's Cricket Association of India (WCAI) in 1973. WCAI ran the women's game in India till 2006 when it merged with the BCCI after an ICC ruling.

GLS UNIVERSITY GIRLS HOSTEL

Home away from Home...

With tender loving care, GLSU has initiated hostel facilities for girls, beginning this year! Look further to glimpse into this unique space.

INTERESTING FACTS ABOUT CRICKET

1. Shahid Afridi used Sachin Tendulkar's bat to hit the fastest ever ODI century:

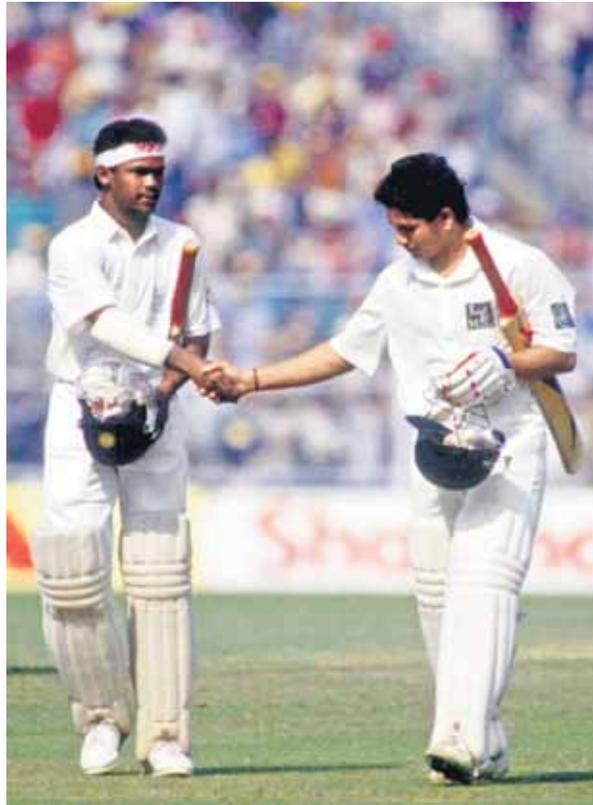

Shahid Afridi was flown in to play for the Pakistan team from West Indies to Nairobi in 1996 and didn't have a proper bat. That's when Waqar Younis gave 'Young Afridi' Sachin Tendulkar's bat. Afridi hit 11 sixes and six boundaries with the bat and scored a 37-ball century against Sri Lanka which was the then fastest ODI century.

2. Chris Gayle is the only batsman to hit a six off the first ball of a Test match:

In the 137 years of Test cricket no cricketer has ever hit a six off the first ball of a Test match. Audacious Chris Gayle achieved this feat against Bangladesh in 2012 off debutant Sohag Gazi.

3. Vinod Kambli's Test match average is better than his childhood friend Sachin Tendulkar:

Vinod Kambli played only 17 Test matches which included two back to back double tons. Kambli's Test average is 54.20 while his childhood friend Sachin Tendulkar averages 53.78 after 200 Tests

4. The only cricketer to play Test cricket for India and England is Saif Ali Khan's grandfather, Iftikhar Ali Khan Pataudi:

Nawab Mohammad Iftikhar Ali Khan Siddiqui Pataudi, or I. A. K. Pataudi (16 March 1910 – 5 January 1952) was the 8th Nawab of Pataudi and the captain of the India national cricket team for the tour to England in 1946. He also played Test cricket for the England team in 1932 and 1934, making him one of the few cricketers to have played Test cricket for two countries and the only Test cricketer to have played for both India and England. He played in six Tests in all, three as captain of India and three for England.

5. India is the only country to win the 60-Over, 50-Over and 20-Over World Cup:

India is the only country to have won the 60, 50 and

the 20-over Cricket World Cups. After winning the last 60-over World Cup under Kapil Dev's leadership in 1983, India won the 20-over and 50-over World Cups under MS Dhoni's captaincy in 2007 and 2011 respectively.

6. All four innings of a test on the same day:

The 2000 Lord's Test between England and West Indies saw all the four innings being played on the same day. This feat was repeated 11 years later in the famous Cape Town Test where South Africa bowled out Australia for 47.

7. On the morning of 11/11/11 South Africa needed 111 runs to win at 11:11:

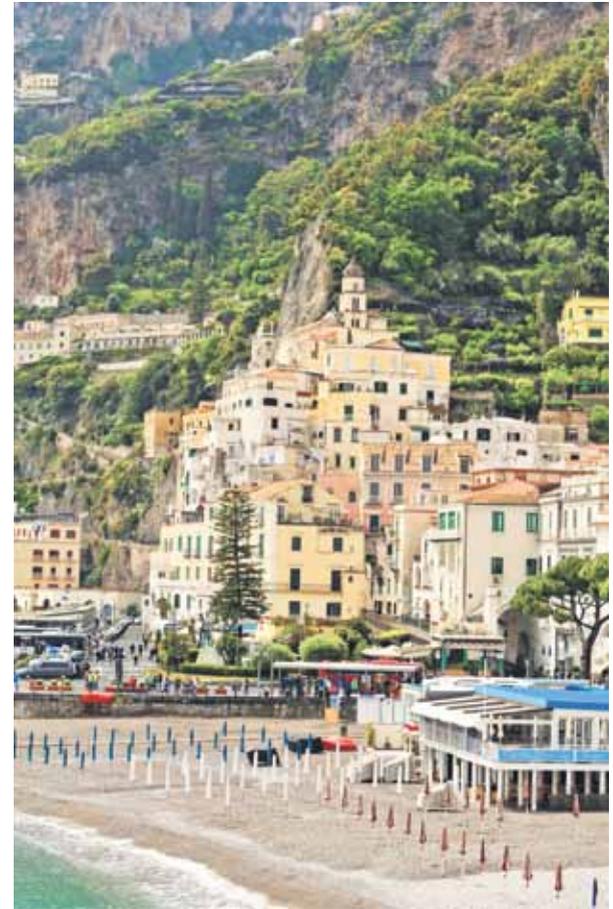

This coincidence occurred during the first Test between South Africa and Australia at Cape Town. At 11:11, on 11/11/11, South Africa were 125 for 1 needing a further 111 runs for a win.

શુભ સુખ ચૈનકી બરસા બરસે ... નેતાજીનું રાષ્ટ્રગીત

સુભાષચંદ્ર બોઝ જેવા મહાન તેજસ્વી અધ્યાત્મિકતાની એવી અનેક બાબતો અંધારામાં રહી ગઈ છે કે, જેના વિષે ભારતના લોકો આજદિન સુધી જાણી શક્યા નથી. આ બાબતોમાં એક છે. રાષ્ટ્રગીત આપણા આજના રાષ્ટ્રગીત ‘જન ગણ મન અધિનાયક ભારત ભાગ્યવિધાતા...’ ને બદલે સુભાષચંદ્ર બોઝે આજદિન હિન્દ માટે આ ગીતમાં થોડા ફેરફાર કરી એક નવું રાષ્ટ્રગીત સ્વીકાર્યું હતું. ‘શુભ સુખ ચૈનકી બરસા બરસે...’ એના વિશે વાત માંડતા પહેલાં રાષ્ટ્રગીતના અતીત તરફ એક નજર કરાવી ઈષ્ટ લેખાશે. ‘જન ગણ મન અધિનાયક ભારત ભાગ્યવિધાતા’ એ નોબેલ પારિતોષિક વિજેતા કવિશ્રી રવિન્દ્રનાથ ટાગોરે મૂળ બંગાળી (સાધુ ભાષા) માં “ભારત ભાગ્ય વિધાતા” શિર્ષક હેઠળ રચ્યું. જે ઈ.સ.૧૯૦૫ માં ‘તત્વબોધિની પત્રિકા’ નામના સામાયિકમાં ફેબ્રુઆરી ૧૯૦૫ માં પ્રગટ થયું અને સૌ પ્રથમવાર એનું ગાન ૨૭ ડિસેમ્બર ૧૯૧૧માં કોલકત્તાના કોંગ્રેસ અધિવેશનમાં થયું. ગુરુદેવ ટાગોરની આ રચનાને ભારતની બંધારણ સભામાં તત્કાલીન રાષ્ટ્રપ્રમુખ ડો. રાજેન્દ્રપ્રસાદે ૨૬ જાન્યુઆરી ૧૯૪૯ ના રોજ મતદાન વિના સહમતીથી રાષ્ટ્રગીત તરીકે સ્વીકાર્યું. અને સાથે એક સૂચન પણ કર્યું કે ભવિષ્યમાં આ ગીતના સંગીતની ધૂનમાં કોઈપણ પ્રકારનો ફેરફાર કર્યા વિના સંસદ બહુમતીથી રાષ્ટ્રગીતના પ ટકા શબ્દોમાં બદલાવ કરી શકશે.

‘જન ગણ મન’ સંદર્ભે ઈતિહાસની આ એક બાબત પણ નોંધપાત્ર છે કે, ભારતની બંધારણ સભાએ એને રાષ્ટ્રગીત તરીકે સ્વીકાર્યું એના આઠ વર્ષ પહેલાં શબ્દોના થોડાક ફેરફાર સાથે સુભાષચંદ્ર બોઝે, જર્મનીના હેમ્બર્ગમાં એને રાષ્ટ્રગીત જાહેર કર્યું હતું.

એ ગીતના શબ્દોને જોઈએ તો ...

- ‘ શુભ સુખ ચૈન કી બરસા બરસે, ભારત ભાગ્ય હૈ જાગા

પંજાબ, સિંધ ગુજરાત, મરાઠા, દ્રવિડ, ઉત્કલ, બંગા

ચંચલ સાગર વિંધ્ય હિમાચલ નીલા જમુના ગંગા

તેરે નિત ગુણ ગાયેં

તુજસે જીવન પાયેં

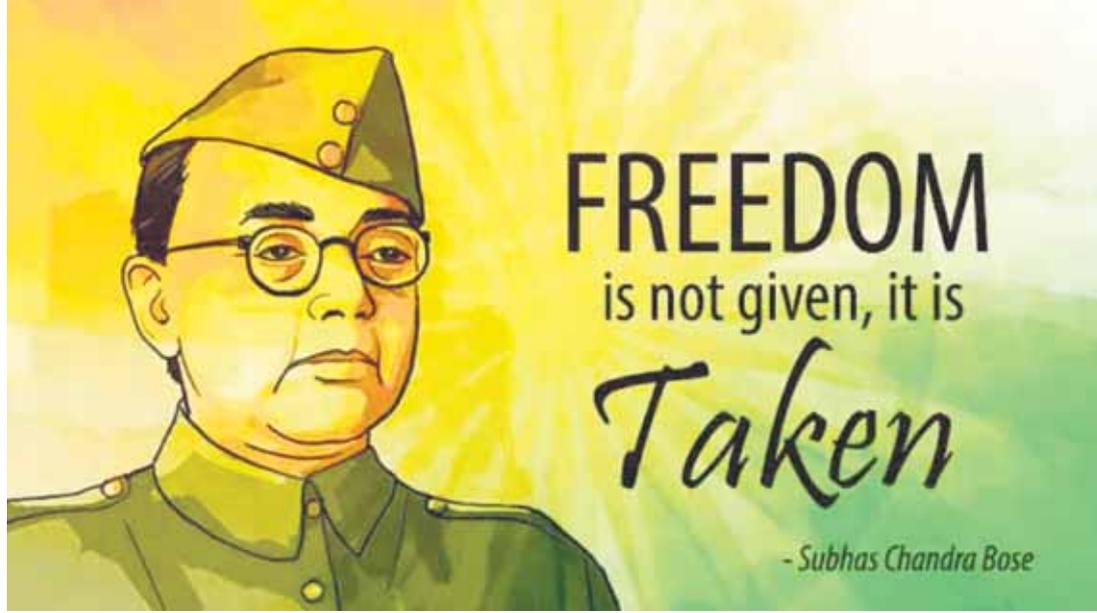

સબ જન પાયે આશા

સૂરજ બનકર જગ પર ચમકે ભારત નામ સુભાગા

જય હો, જાય હો, જય હો, જય જય જય જય હો.

સબકે દિલમેં પ્રીત બસાયે તે મીઠી વાણી

હર સૂબે કે રહને વાલે હર મજહબ કે પ્રાણી

સબ ભેદ ઔર ફર્ક મીટા કે સબ ગોળ મેં તેરી આકે ગૂંથે પ્રેમ કી માલા સૂરજ બનકર જગ પર ચમકે ભારત નામ સુભાગા

જય હો, જાય હો, જય હો, જય જય જય જય હો.

સુબહ સવેરે પંખ ખંખેરું તેરે હી ગુણ ગાયે

બાસ ભરી ભરપૂર હવાયેં ઋત લાયે

સબ મિલ જયહિન્દ કે નારે

પ્યાર દેશ અમારા

સૂરજ બનકર જગ પર ચમકે ભારત નામ સુભાગા

જય હો, જાય હો, જય હો, જય જય જય જય હો.

આજેજ્યારે સમગ્ર વિશ્વ અને ભારતમાં પણ, રાષ્ટ્રવાદની વિચારધારા પકડ જમાવી રહી છે, રાષ્ટ્રીય અસ્મિતાનો ખ્યાલ લોકોના દિલોદિમાગમાં સ્વાભિમાન જગાવી રહ્યો છે. પરિણામ સ્વરૂપે દેશમાં રોડ-રસ્તા, શહેર-નગરોના નામ બદલાઈ રહ્યા છે. રાષ્ટ્રવાદના આ વહેણમાં દબાયેલા સૂરે એક માંગ ઊઠી છે. રાષ્ટ્રગીતમાં થોડો ફેરફાર કરવાની !! દાયકાઓથી ભારતની આન બાન શાન અને કરોડો ભારતવાસીઓના દિલની ધડકન સમું ‘જન ગન મન ...’ કોઈ જાહેર સમારંભ, સ્પર્ધા કે સ્ટેડીયમમાં ગવાય કે રાષ્ટ્રગીત-આંતરરાષ્ટ્રીય સ્તરે એની ધૂન ગુંજે ત્યારે આપણી છાતી ગજ ગજ ફૂલે. પરંતુ ... તો પછી આજે એમાં બદલાવની માંગ શા માટે??

ઉપરોક્ત પ્રશ્ન પરેખર સંવેદનશીલ

છે... આટલા વર્ષોથી ભારતની ઓળખ બની રહેલ રાષ્ટ્રગીતમાં ફેરફાર શું કામ ? આવો થોડાક નજીકના ભૂતકાળમાં ડોકીયું કરીએ... બંધારણ સભામાં રાષ્ટ્રગીત તરીકે જન ગણ મનને સ્વીકારતાં, તાત્કાલીન રાષ્ટ્રપ્રમુખ રાજેન્દ્રપ્રસાદે જે સૂચન કર્યું હતું તેને આધાર બનાવી ભા.જ.પ.ના રાજ્યસભાના સાંસદ સુભ્રમાણ્યમ સ્વામીએ ૩૦ નવેમ્બર ૨૦૧૫ના રોજ વડાપ્રધાન નરેન્દ્ર મોદીને એક પત્ર લખ્યો. (પછીથી ટ્વીટર પર શેર કર્યો.) અને રાષ્ટ્રગીત ‘જન ગણ મન’ના શબ્દોમાં ફેરફાર કરવાનું સૂચન કર્યું. આ માટેની તેમની દલીલો હતી કે, બંધારણ સભામાં ‘જન ગણ મન’ ના શબ્દોમાં ફેરફાર કરવાનું સૂચન કર્યું. આ માટેની તેમની દલીલો હતી કે, બંધારણ સભામાં ‘જન ગણ મન’ ને વોટીય વિના મંજૂર કરવામાં આવ્યું હતું. બીજી દલીલ એમની એ છે કે રાષ્ટ્રગીતમાં આવતો ‘અધિનાયક’ શબ્દ બ્રીટીશ કિંગ જ્યોર્જ પંચમ ના સ્વાગતમાં પ્રયોજાયો છે. તેઓ તો આ ગીત આપણી ગુલામ માનસિકતાનું પ્રતીક હોવાનું પણ કહે છે. સ્વામીની આ દલીલો આમ તો સુભાષચંદ્ર બોઝની દલીલો પર જ આધારિત છે. સુભ્રમાણ્યમ સ્વામી ‘જન ગણ મન’ ના વિકલ્પ તરીકે નેતાજીએ મૂળ કૃતિમાં ફેરફાર ફરીજે ગીત આજદિન હિન્દના રાષ્ટ્રગીત તરીકે સ્વીકાર્યું તે - ‘શુભ સુખ ચૈન કી બરસા બરસે, ભારત ભાગ્ય હૈ જાગા’, ને સૂચવે છે.

બેશક નેતાજીનું ગીત દેશભક્તિથી ભર્યું ભર્યું છે. એની ધૂન અને ગાયન સુંદર અને કર્ણપ્રિય છે. તો સામે પક્ષે ‘જન ગણ મન’ પણ એટલુંજ સુંદર અને કર્ણપ્રિય છે. રવિન્દ્રનાથ ટાગોરે । ગીતની રચનામાં

ભારતીય ભાષાઓની જનની સંસ્કૃત ભાષાની પ્રચુર શબ્દાવલી પ્રયોજી છે. જેને કારણે ભારતના કોઈ પણ પ્રાંતની ભાષામાં સહેલાઈથી અનુવાદિત કરી શકાય અને સમજી શકાય છે. છતાં નેતાજીનો વાંધો ‘અધિનાયક’ શબ્દ સામે હતો. એટલે રવિન્દ્રનાથના ગીતની ‘પંક્તિમાં -’ શુભ સુખ ચૈન કી બરસા બરસે, ભારત ભાગ્ય કે જાગા’ જેવો ફેરફાર કર્યો. ‘અધિનાયક’ શબ્દ વિવાદાસ્પદ બની ગયો છે. કારણકે પરેખર આ વિશેષણ કોના માટે પ્રયોજાયું છે ? ભાગ્યવિધાતા ધરેમેશ્વર કે પરમ બ્રહ્મ માટે કે પંચમ જ્યોર્જ માટે ? હકીકતમાં ‘જન ગણ મન’ની રચના ૧૯૦૫ માં થઈ. ઝો સમયે બ્રિટીશ કિંગ તરીકે એડવર્ડ હતા (૯ઠ્ઠવૃ.૧૮૪૧-૬૨૬૨ ૧૯૧૦) જ્યોર્જ તો ત્યાર પછી ગાદીએ આવ્યો. હવે કેવી રીતે જ્યોર્જ ના સ્વાગતમાં રચાયું એમ કહી શકાય ? અને આમ પણ કોઈ પણ કૃતિનું અર્થઘટન માણસની માનસિકતા સાથે જોડાયેલું હોય છે. !! રવિન્દ્રનાથ આ સંદર્ભે ૧૯૩૭ના એક પત્રમાં સ્પષ્ટતા કરે છે કે, આ ગીત કોઈ જાતની પ્રશસ્તિ માટે તૈયાર નથી કરાયું. જુઓ- “Neither the fifth nor the sixth nor any George could be the maker of human destiny through the ages” “ I had hailed in the song jan gan man that Dispenser of India’s destiny through the ages” “ I had hailed in the song jan gan man that Dispenser of Indi’s destiny who guides, through all rise and fall, the wayfarers, He who shows the

people the way”

ત્રીજી પંક્તિ ‘ચંચલ સાગર વિંધ્ય હિમાચલ નીલા જમુના ગુગા’ ની સામે ટાગોરની સાહિત્યિકતા સ્પષ્ટ દેખાય છે. જુઓ - ‘વિંધ્ય હિમાચલ યમુના ગંગા ઉચ્છલ જલધિ તરંગા,

તવ શુભ નામે જાગે, તવ શુભ આશિષ માંગે,

ગાહે તવ જય ગાથા.’

ટેક પંક્તિમાં રવિન્દ્રનાથ - ‘જનગણ મંગલદાયક જય હે ભારત ભાગ્ય વિધાતા જય હે પ્રયોજે છે.

બીજી ટેક પંક્તિમાં જનગણ ‘ઐક્ય વિધાયક’ ત્રીજી ટેકમાં - ‘જનગણ પથપરિચાયક’ ચોથી અંટક પંક્તિમાં - જનગણ દુઃખત્રાયક એમ વૈવિધ્યપૂર્ણ શબ્દાવલી પ્રયોજે છે. (સંપૂર્ણ રાષ્ટ્રગીતને આધારે) જ્યારે સુભાષચંદ્ર બોઝ ટેક પંક્તિમાં એકજ પંક્તિ રાખે છે.

‘સૂરજ બનકર જગ પર ચમકે ભારત નામ સુભાગા

જય હો ...’

નેતાજી આજદિન હિન્દના રાષ્ટ્રગીતમાં રવિન્દ્રનાથની સંસ્કૃત પ્રચુરતાને, લોકબોલી જેવી સરળ બનાવી દે છે. ઉ.દા. તરેકે - ‘હર સૂબે કે રહને વાલે, હર મજહબ કે પ્રાણી’ અને

‘બાસ ભરી ભરપૂર હવાયેં જીવનમેં ઋત લાયે’ આ ઉપરાંત દેશના લોકોમાં ભાતુભાવ અને ઐક્યની પ્રાર્થના કરાં, વિશ્વમાં ભારતની તેજસ્વિતા પ્રકાશે એવી શુભ કામના કરવામાં આવી છે.

રવિન્દ્રનાથ ટાગોરની દીર્ઘ રચનામાં ભારતવર્ષના વર્ણન સાથે પ્રગતિ, વિકાસ, ભાતુભાવ અને ઐક્યની કામના કરવામાં આવી છે. અજ્ઞાન અને અસદ તથા આતંકની સામે રક્ષક કરતી ભારત માતાનું જનજણ દુઃખત્રાયક તરીકેનું ચિત્ર, તેમજ ભારત વર્ષના નવસર્જન માટે સૌ સાથે મળી નવ જાગૃતિ કેળવણી કેળવે એવી શુભ ભાવના રાષ્ટ્રગીત જન ગણ મનમાં નિહિત છે.

સત્ય, અહિંસા અને સત્યાગ્રહ જેવા સંપૂર્ણ સ્વદેશી સાધનોના બળે આજાદીનો જંગ લડનાર ગાંધી, જવાહર અને સરદાર જેવા રાજનેતાઓ અને બીજી તરફ ક્રાંતિની મશાલ સાથે, જર્મની, જાપાન જેવા રાષ્ટ્રોની મદદથી આજાદી માયે યુધ્ધ છડનાર સુભાષચંદ્ર બોઝ-સાંપ્રત ભારતને આજે કોની જરૂર છે ? પ્રથમ વિચારધારા કે પછી સુભાષચંદ્રના જેવી પ્રાણવાન અને બળવાન વિચારધારાની જે માર ખાલને નહિ પણ મ્હાત કરીને સ્વાતંત્ર્યનું જાતન અને સંવર્ધન કરે.

HACC RANKS 2ND IN GUJARAT STATE

It is a matter of pride that Gujarat Law Society's H.A. College of Commerce has been ranked the 2nd best commerce college in Gujarat State in a survey conducted by leading national magazine, India Today. The survey researched all the top colleges of different faculties in the country and brought out its results in its May

2019 issue. Not only this, HACC also ranked 69th amongst the commerce colleges nationally. This is a matter of pride for Gujarat and for GLS. The parameters for the ranking were the college results, the achievements in curricular and co-curricular activities, faculty achievements, international recognition, different activities

taking place in the college, and the overall standard of the college.

HACC owes its success to the management of Gujarat Law Society, headed by the Executive Vice-President, Shri Sudhirbhai Nanavati, and the team-work of the Principal, Dr. Sanjay Vakil, the staff members, the students and its alumni.

HACC PRINCIPAL AND FACULTY MEMBER VISIT NJCU, USA

The Principal of the college, Dr. Sanjay Vakil, and a faculty member, Dr. Jean Dsouza, visited the New Jersey City University, USA, during the month of May, 2019. The college chairman and committee members of the Patel Scholars Program were invited for the Graduation Ceremony of the Patel Scholars, who are students of HACC studying for an MBA at the NJCU School of Business.

Five Patel Scholars graduated into the MBA program during this ceremony: Bhavya Patel, Bhaumil Patel, Vishruti Patel, Roshni Patel and Renish Mirani.

The Principal, Dr. Vakil, was invited to deliver an address on the pre-graduation ceremony, addressing the invited dignitaries and the students. Dr. Vakil and Dr. Dsouza were also invited as guests of honor, to confer

degrees on the 1200 graduating students, in the presence of over 10,000 guests. This is a great honour to H.A. College of Commerce.

On the following day, Dr. Vakil and Dr. Dsouza, together with all the Patel Scholars, were invited to the residence of the President of NJCU, Dr. Sue Henderson, for a dinner. Also present at this dinner

were Dr. Bernie McSherry, Dean, School of Business,

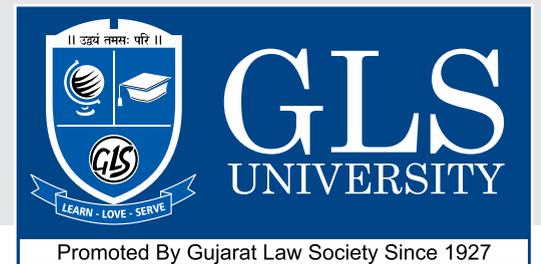

NJCU, and Mr. Kwi Brenen.

The entire visit was hosted by NJCU and the principal's trip was funded by Gujarat Law Society. Sightseeing visits and meetings were also organized during this visit. The Principal and the faculty met with the Chinese faculty members at the Confucius Institute and discussed Gandhian thoughts and

philosophy. They also had meetings with the Provost, NJCU, Dr. Daniel Julius, the Vice-president, Global Initiatives, NJCU, Dr. Tamara Cunningham, and the other faculty members of NJCU.

The trip was a huge success, giving recognition to the college and the management of Gujarat Law Society, at international levels.

MONSOON RECIPES FOR THE YOUNG (AND THE NOT-SO-YOUNG!)

Fruit Pancake

- Prepare a batter by mixing some atta, besan, raagi, sooji and powdered oats.
- Add honey or jaggery, along with some grated apples.
- Now add water to make a pancake-like consistency.
- Heat butter and pour the batter to make pancakes.
- Cook on both sides to make it golden brown.
(This can also be sent for the school tiffin.)

Warm Chicken/Vegetable Soup

- In a pot, add some butter and a bit of olive oil.
- Next, add some cloves of garlic, a bit of ginger, diced

potatoes, sliced onions and carrots, sweet corn, mushroom, green peas and some pasta (you can substitute this with noodles).

- If you want, you can add chicken stock, else skip.
- Add a little water and stir for some time.
- Add a tsp. of soy sauce, mix, and add water and salt.
- Cover and let it cook. Add enough water for soup.
- Garnish with black pepper, spring onions and butter.

Bang Bang Batata

Ingredients:

- 250 gm baby potatoes
- Salt
- 1/4 tsp sugar
- 1/2 tsp red chilli flakes
- 1/2 tsp turmeric powder
- 1 Tbsp semolina (sooji)
- 1 1/2 Tbsp ghee
- 2-3 green chillies, finely chopped

- 1 1/2 Tbsp garlic, finely chopped

Method:

- Scrub and steam the potatoes till they're tender. Cool and peel them.
- Take a bowl and mix salt (to taste), sugar, chilli flakes, turmeric powder and semolina together. Coat the potatoes well with this mixture.
- Heat the ghee on a pan and saute the green chillies and garlic for 10 seconds.
- Add the spiced potatoes and cook on low heat for 6-8 minutes.
- Keep tossing and take off heat when the potatoes have browned and semolina is crisp.
- Serve hot with lime wedges.

Raw Banana and Coconut Kachori

Ingredients:

For covering:

- 4 large Raw bananas
 - 3 tbsp Rice flour
 - As per taste Salt
 - 1 tbsp Green chilli paste
- For the filling:
- 4 tbsp Groundnuts (crushed), roasted
 - 1 tbsp Green chilli paste
 - 1 cup Fresh coconut, grated
 - 15 Raisins
 - 10 Curry leaves, finely chopped
 - 2 tbsp White Til (sesame seed), roasted
 - As per taste Salt
 - 2 tbsp Sugar
 - 1/2 tsp Zeera
 - 1 tbsp Lemon juice
 - 2 tbsp Coriander leaves
- For frying Oil
- For the yogurt dip:
- 100 gram Yogurt
 - As per taste Salt
 - 2 tbsp Sugar
 - 2 tbsp Groundnuts (crushed)
 - 1 tbsp Green chilli paste
 - Pomegranate (anaar)

For the covering:

- Take the raw bananas, boil it and mash it.
- Now take a bowl add the mashed banana in it, add rice flour, green chilli paste, salt, 1 tsp oil.

- Mix it this well and keep aside.

For the filling:

- Take a bowl, add grated coconut, green chilli paste, roasted and half crushed groundnuts, roasted white sesame, raisins, zeera, curry leaves, sugar, lime juice, salt, coriander leaves. Mix it well.
- Take the covering mixture and make round ball of it, apply a little oil to you hand; now take each ball and flatten it by making a katori shape (small bowl) and now add the filling in it and give it round shape.
- Apply rice flour and keep it aside. Similarly make the other kachoris.
- Now heat oil in a kadhai (wok) and on slow flame deep fry kachoris till golden brown.
- Serve it with yogurt dip or ketchup.

For the yogurt dip:

- In a bowl whip the yogurt (curd) well. Add groundnuts, salt, sugar, green chilli paste, pomegranate into it and mix well.
- Serve it with kachori.

K. M. INSTITUTE OF TAXATION & LABOUR LAWS

- Useful in securing job at HR Department of any Company / Firm.
- Any graduate student is eligible to get admission.

Congratulations

CHEERS TO THESE YOUNG ENTREPRENEURS!

KAIRA (pure) - Bags Collection by Prutha Shah

- To be honest I never planned for it. But yes, art has always been my first love, I just love to do new creative things from my childhood. KAIRA was also an instinct (I actually saw a video of a bag on YouTube and made one for me and then my friends liked the bag I made and then nothing could stop Kaira)

learn and grow- from your experiences.

To all those who are willing to start, if you are willing to start any venture, start it now- every thing else will fall into it's place.

(Just follow your instincts!)

NAME- PRUTHA SHAH
education - B.Com, M.Com

Dr. Suja Nair has been conferred Ph.D from Saurashtra University under the guidance of Prof. Dr. Mayuri H. Pandya, Sir L. A. Shah Law college for the thesis on the topic - "Implementation of protection of women against Domestic Violence Act, 2005 in the city of Ahmedabad - A critical analysis."

There will always be challenges.. whenever you start something new, you have to face various challenges at different levels, as it is very difficult to place your product in market where people already have so many available options to buy the various things,

But I think that's how you

From - Shree Narayana College of Commerce, Gujarat University.

by more people in liquid form, if just a bit of spices are added. When I put up my thoughts to my mother in law, she was more excited than I was and that

Hare Krishna Mobile Shop

The inspiration came from within. It was an inner feeling and I had also committed to myself that I have to build my own empire - though small.. at anycost.

In the recent times, the major challenges is definitely a breakneck competition. Even in an era where there are more mobile phones than toilets, it is difficult to survive monthly rents, staff salary and miscellaneous expenses.

But if you are willing to start up a business, make sure all the major points must be kept in mind (Competition, rent, salary, profit margin, location, etc). Also the suggestions from parents, and friends are definitely helpful. I would also say that social media play a major role in your business. Many people visit you based on the Instagram and Google Reviews for your firm. So make sure that no one goes unsatisfied from your store.

became my strength. Nothing is possible without family by your side. My first breakthrough was when I participated in a flea market with Falsa juice and Aam panna in May 2017.

The major challenge is that since it is fresh juice, it is difficult to store. I generally make on order and that is helpful because they are used

fresh and are healthy. Sugar free varieties are also available.

I would ask everyone to understand that no idea is small. Make good vision. Try to divide work and make a team. A small startup, if done with a good heart and without any amalgamation, cities like Ahmedabad are ready to welcome you with open arms.

Jigar Kalal,
Entrepreneur
Graduation in Commerce from Gujarat University.

Sattvik Jugo by Chaitali Saurin - The Fresh Juice Startup.

Summer Vacations bring a lot of fruits and a lot of time. I have always been attracted by those laaris with a display of variety of seasonal fruits outside college gates. Taking an inspiration from them, I realized that these fruits could be taken

Faculty of Computer Applications & Information Technology

Post Graduate Diploma In

Computer Science & Applications (PGDCA)

Programme

About Us

As the use of computers and computer based systems is increasing in various sectors, there is a growing requirement for the professionals having Inter disciplinary combined knowledge of computer programming with other disciplines.

PGDCA Programme is a one year full time post graduate diploma programme that prepares the students to seek compatible job opportunities in various industries. The approach is to prepare students from diverse fields to develop skills related to IT which helps them pursue promising career in software industry. The programme is designed to develop the programming and analytical abilities of the students.

The Syllabus of the programme is intensified with the subjects like Advanced Java, PHP, Content Management Systems, Computer Networks, Publishing Tools, Database Management Systems, Web Designing and others.

For Whom?

- Graduates of Arts, Science and Commerce streams who wish to make a long term career in Information Technology.
- Graduates planning to pursue masters programme in Information Technology can become eligible for the entry to such programme after completion of PGDCA.
- Candidates aspiring to carve out a promising career through exclusive blend of Technical Expertise and Domain Knowledge.
- For the students who wish to shape their careers in fields like Computer Systems Service Specialist, Software Programmer, Web Designer, Web/Multimedia Programmer, Academician, Computer Scientist, Information Systems Manager, IT Support Technician, Quality Analyst, Software Marketeer and many more.

- Student centric interactive learning pedagogy system
- Syllabus streamlined with industry Requirements

- Expert Faculty team of experienced academicians
- Contemporary Open Source Software with experimental & exploratory approach

- Skill development through projects in IOS, Android, PHP, CMS, etc.
- Industry association for projects and placements

Eligibility Criteria

- » The candidate must have passed Graduation examination in any discipline from a University recognized by UGC.
- » Candidate who have appeared in the final year examination can also apply.
- » Admission will be given based on score in Graduation and Personal Interview.

Course Structure

Semester 1	Semester 2
<ul style="list-style-type: none"> • Object Oriented Concepts and Java Programming • Relational Database Management System • Introduction to Internet, HTML and Java Script • Business Skills • Communication • Software Lab 	<ul style="list-style-type: none"> • Introduction to PHP • Database, Java • Web development using WordPress • Object Oriented Analysis and Design • Mini Project on IT application

Alumni Speaks

Jigar Kalal is a young man who graduated from a B.Com. programme in Gujarat University. He is currently working as a software developer in a multinational company. He is a member of the Gujarat University Alumni Association and is actively involved in various social and cultural activities.

Sattvik Jugo is a young woman who graduated from a B.Com. programme in Gujarat University. She is currently working as a business development executive in a multinational company. She is a member of the Gujarat University Alumni Association and is actively involved in various social and cultural activities.
